2. *SUMMER INTERNSHIP IN BANGALORE*

Location: Banglore, Position: Summer Intern

Company: sCoolMeal FoodVentures Pvt. Ltd.

There are 4 vacancies for young , energetic and dynamic individuals who have pleasant mannerisms and can work on brand promotion along with the business development team. This is not a sales internship. The requirements are very basic but essential.

- eloquent speaker
- can manage pleasant conversations,
- willing to take initiatives,
- should be able to handle tasks alone with their creativity and imagination with minimum guidance

Role: To manage the company's events in several schools across Bangalore while maintaining a strong rapport with the school administration, provide an excellent feedback system for parents and teachers. We would prefer a food technologist since we produce food but it isn't essential.

We also plan on offering PPO if the candidate is found suitable.

Interested individuals can whatsapp me on 9818034727 or mail us at nikita@scoolmeal.com

3. There is an opportunity for a summer internship in Agricultural and Processed Food Products Export Development Authority (APEDA) for final year Graduation students and Masters Pursuing students in Food Technology.

The candidate should have basic knowledge of Analytical Instrumentation, Food Toxicology and Pesticides usage in Agriculture and Aquaculture.

Interested candidates can forward their Resume to poortim14@hotmail.com
