

Surakshit Khadya Abhiyan (SKA) has introduced a *CII-SKA Merit-cum-Means Scholarship*

for under-graduate Indian students of Food Technology / Food Microbiology, Nutrition and Home Science. Highlights of the scheme are:

1. It is open to new students as well as continuing students.

2. The amount payable includes -- *(a)* Tuition fees; *(b)* Allowance for purchase of books and study material; and *(c)* Hostel accommodation and related incidental subsistence needs.

3. Deadlines for submission of complete applications are --

(a) For continuing students: 31 July 2018;

(b) For new students: 31 August 2018.

4. Decision will be taken by a Jury in Sept and communicated to the students in Oct 2018.

The detailed scheme can be seen on [*www.cii-ska.in*](http://www.cii-ska.in)
